

# NixPlay Recounting One Family's Past Through Pictures

## NIXPLAY BLOG

September 25, 2018~ Nixplay blogger Marianne Salazar wrote an article about my work: "[Recounting One Family's Past Through Pictures](#)". Nixplay learned about the adventurous journey I traveled alongside [Dr. Homer Speer, Sr](#) as I worked digitizing the Speer family photo collection. This family's photo collection is held by [Homer Speer, Jr](#) "“I've scanned hundreds of Homer's collection of vintage photos and postcards, learning the stories behind most of the family treasures he had collected. I've learned a lot of local history along the way while preserving important mementos and photos.” NIXPLAY's WiFi digital frames ARE the next big thing for displaying pictures and sharing them with your family and friends.
