

Zoe Morrison on Google My Business

I offer simple strategies to reduce your TASKS at work or make your home life simpler. Organization, virtual assistance, business or home, [you're goals will be easier to attain when you have an assistant to help you get things DONE.](#)

Google My Business is a great way to let folks know you are out there. Increase rankings, add maps and services. And it's MOBILE friendly! I highly recommend using GMB to promote your business. Don't have time to set it up or maintain it? I'll set up and maintain your Google My Business account. Call me to discuss your needs!

Whether you want to DIY or find out what projects I can help you manage, calling me should be your first order of business.

Visit my GMB site for [services, pricing and for an assistant](#) whose role is to help you reach your goals!
